

Jeppesen – Jensen slægten

The Jeppesen – Jensen family

Forord

Den direkte anledning til at samle nærværende oplysninger, har været invitationen til ”familie-komsammen” I Nautrup Forsamlingshus, søndag den 1. juni 2003.

Vi har langtfra alle informationer med, men vi håber, at det med tiden – og fælles hjælp – kan komme til at udgøre et fyldestgørende ”stamtræ” for familien.

Vi opfordrer således alle, der har kommentarer, supplerende oplysninger eller spørgsmål til, at rette henvendelse til een af undertegnede.

Det er tanken, at efterhånden som vi får samlet og struktureret oplysningerne, vil de blive lagt ud på Internettet. Der vil være link til oplysningerne på adressen www.blazejewicz.dk.

Med ønske om en god søndag!

Introduction

The direct cause of gathering the present information has been the invitation for the “family gathering” in Nautrup village hall on Sunday, June 1, 2003.

Far from all information is covered at this moment. It is, however, our hope that we will manage, over time and by joint efforts, to compile an adequate genealogical tree for the family.

We therefore encourage everybody to direct comments, information or questions to one of the undersigned.

It is our plan to publish the information successively on the Internet, as they are collected and organized. A link will be established via the address www.blazejewicz.dk.

Wishing you all a nice Sunday!

Noter

Peder Jensen var møller og gårdsmand på "Balling Nedermølle". Da Pouline Petersdatter blev gift med Anders Møller i 1958, medbragte hun datteren Else Marie, der var født i 1852. Pouline omtales på det tidspunkt som væverpige fra Lille Thorum.

Poulines søn Jens Peder Møller blev husmand i Lindum, og var formand for Husmandsforeningen "Fremad" i perioden 1907 - 1935. Som hæder for hans indsats, satte husmændene en mindesten for ham og hustruen Else i udkanten af deres have i Lindum. Stenen står der endnu; den er i hvert fald set så sent som i maj 2003.

Else Marie var gift to gange, den ene gang viet i Hjerk Kirke. Hendes datter Marie, der blev født i Thorum 09-01-1882, voksede op hos sin mormor Pouline Pedersdatter i Lindum, og dermed også hos Jens Peder Møller, der på det tidspunkt var vendt hjem for at hjælpe moderen med at drive ejendommen, efter Anders Møllers død.

Det vides ikke hvem der er far til Marie.

Else Marie er endvidere mor til Chris Kristensen, men det vides ikke om Marie og Chris har samme far. Chris emigrerede senere til De Forenede Stater. Hvem ved; måske var han blevet inspireret til at stikke til søs, af Jens Peders lillebror Niels, som gjorde tjeneste i den amerikanske flåde ad flere omgange.

Notes

Peder Jensen was a miller and farmer on "Balling Nedermølle". At the time of Pouline Petersdatter's marriage to Anders Møller in 1958, she brought with her her daughter Else Marie who was born in 1852. At that time Pouline was mentioned as a "weaver maid" from Lille Thorum.

Poulines' son Jens Peder Møller became a smallholder in Lindum, and was chairman of the Smallholders Association "Fremad" (means "Forward") in the period 1907 - 1935. In honour of his efforts, the smallholders raised a monument for him and his wife Else on the fringe of their garden in Lindum. The stone is still there; at least it was in May 2003.

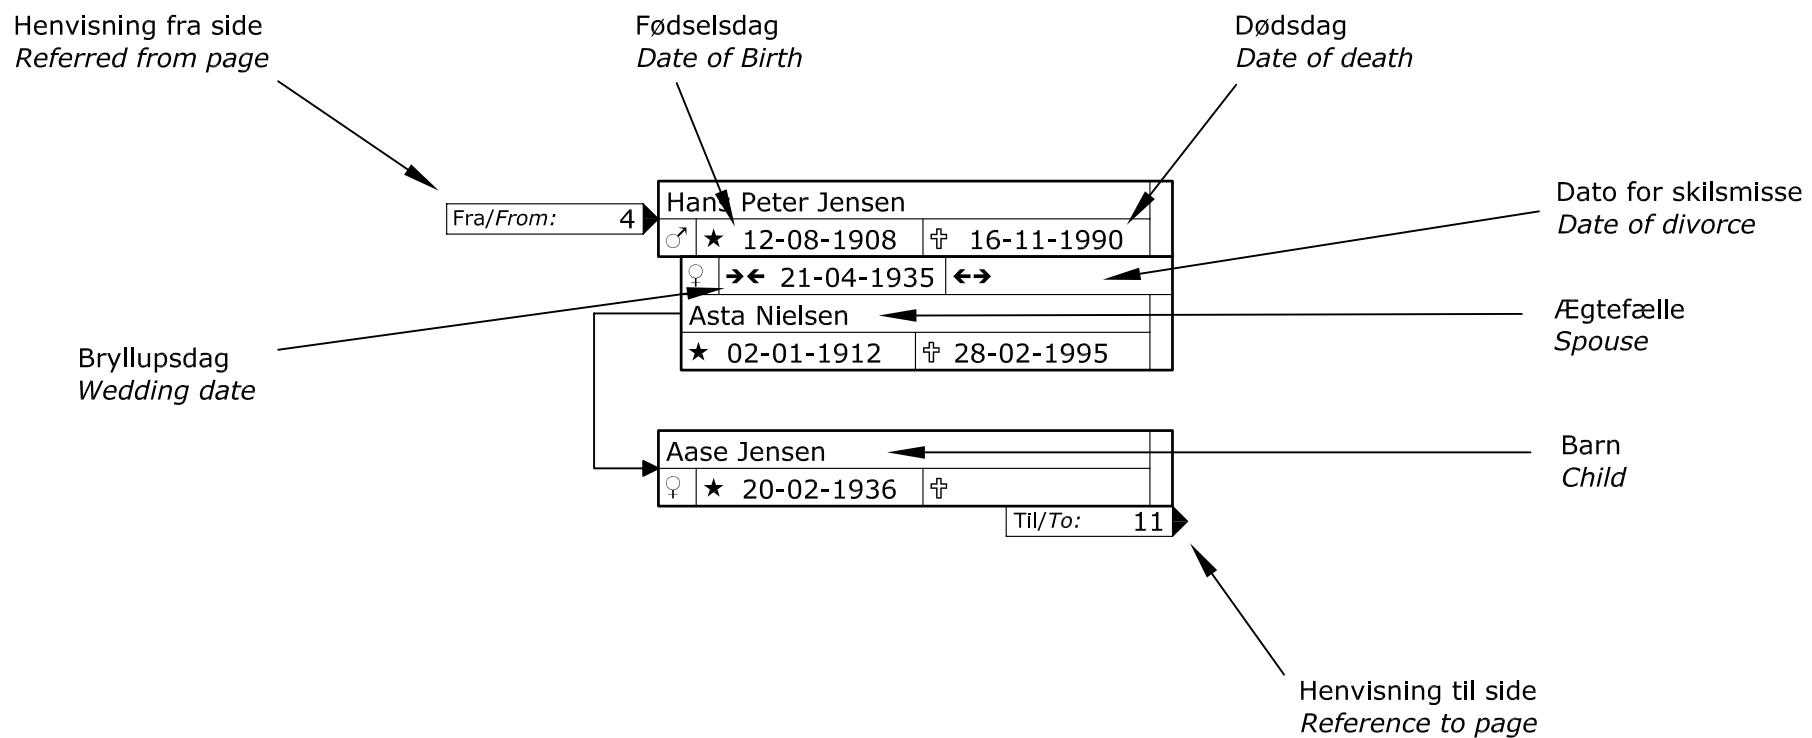

Else Marie was married twice, one of the times in the church of Hjerk. Her daughter Marie, who was born in Thorum 09-01-1882, was raised by her grandmother Pouline Pedersdatter in Lindum, and consequently also by Jens Peder Møller, as he had returned home to help his mother run the place after the death of Anders Møller.

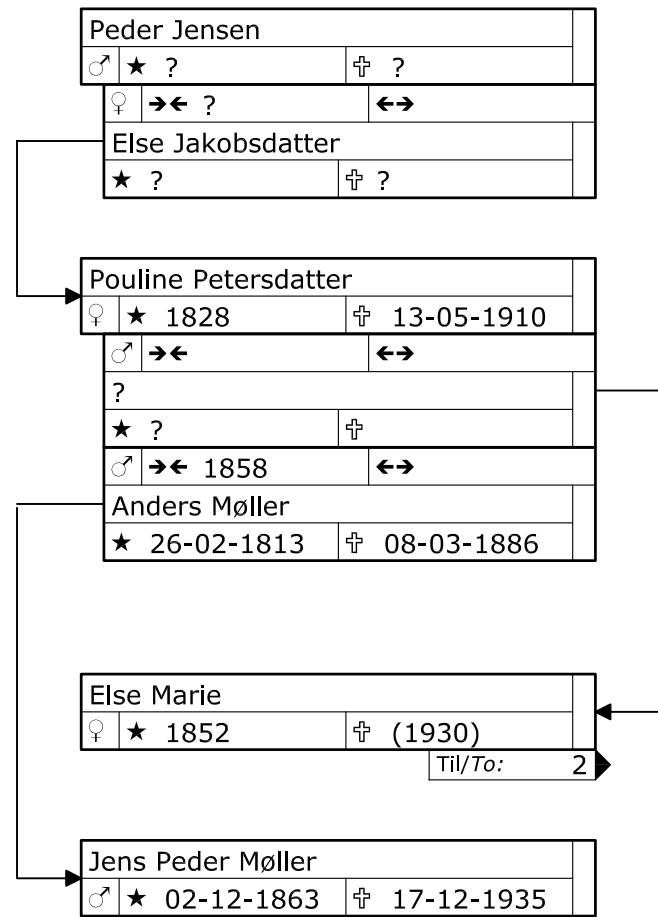

The identity of Maries father is unknown.

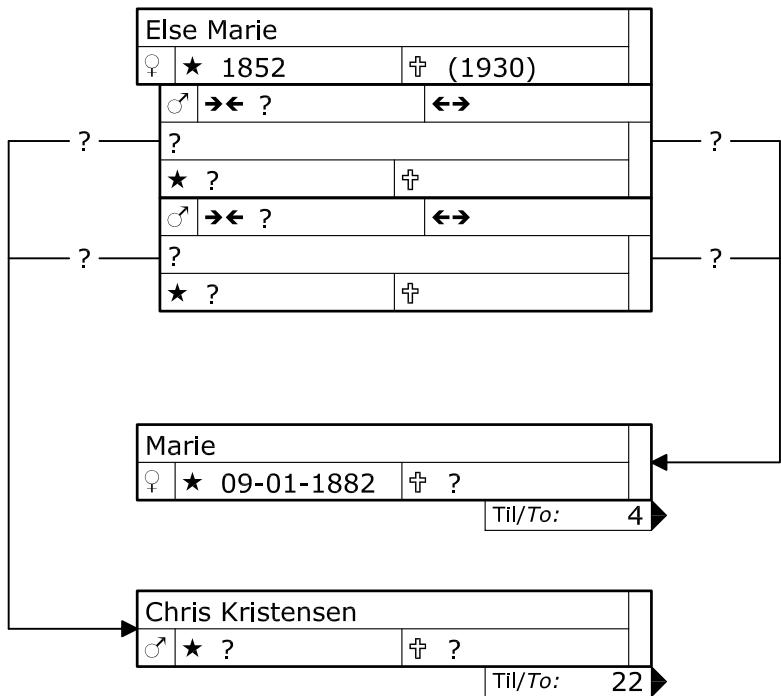

Else Marie also had a son; Chris Kristensen, but it remains unknown whether Marie and Chris are children of the same father. Later on, Chris emigrated to The United States of America. Who knows; maybe he was inspired by Jens Peders younger brother Niels, who served in the US Navy on more than one occasion.
